Introducing Man OM-IP AHL 2010

Man OM-IP AHL 2010 is the fourth in a series of Man OM-IP funds that invest exclusively in the AHL Diversified Program.

The AHL Diversified Program has experienced a variety of market conditions during the past 19 years, and Athena Guaranteed Futures Limited, Man Investments' longest running capital guaranteed fund accessing the AHL Diversified Program, has generated a compound annual return of 15.4% p.a. since its inception in December 1990[^].

The AHL Diversified Program has in the past offered diversification benefits to investors, particularly during periods of market stress^{^^}. The largest and most recent drawdown in the Australian stock market (as represented by the S&P/ASX 300 (Accum.) Index) since December 1990 occurred between 1 November 2007 and 28 February 2009, when the Australian stock market had a drawdown of -47.6%#. During this time, Athena Guaranteed Futures Limited recorded a positive return of 18.9%[^].

Features of Man OM-IP AHL 2010 include:

Performance: aims to generate medium to long term capital growth* in both rising and falling markets.

Security: the ANZ Guarantee⁺.

Diversification: low correlation with the performance of investments in stocks, property and bonds^{^^}.

An investment in Shares is subject to the key risks described in Section 4 of the Prospectus. Investors should carefully read all of the Prospectus and seek advice from a licensed financial advisor before making an investment decision.

CAPITAL GUARANTEE BY:
(Subject to the terms of the ANZ Guarantee as described in Section 5 and set out in Appendix A of the Prospectus)
